# PROCESS WEEK '18

**NOVEMBER 12TH-15TH 2018**  
**PENNSYLVANIA CONVENTION CENTER**  
**PHILADELPHIA, PA USA**

Looking for the newest technologies that will let you stay one step ahead of your competition? Overwhelmed by the daily challenges you face in delivering more with less? Wanting some face-to-face discussions with other industry and process application professionals?

Join us for a week-long event that provides you with answers and insights that will help you drive your business forward and align your operations for future automation excellence.

**GAIN** a competitive advantage by hearing about the latest trends in process automation, security and sustainability

**NETWORK** with peers and leading industry automation experts to learn how others are improving efficiency, reducing costs and gaining greater agility

**GET** greater personal and professional knowledge from forums, hands-on labs and technical sessions while earning PDH credits

## Who Should Attend?

- Process Control Engineers
- Plant Managers
- Operators
- Manufacturing IT Professionals
- Integrators
- EPC Consultants

**\$499 - EARLY BIRD REGISTRATION!**  
**\$649 AFTER SEPTEMBER 30**

Rockwell Automation

**NOV 12<sup>TH</sup>-13<sup>TH</sup>**

Join your peers at this interactive, industry-leading event to gain greater insight into the latest process automation technologies.

Thought provoking keynotes, insightful technical and customer application sessions and practical hands-on labs, the Process Solutions User Group (PSUG) addresses the production challenges you're facing every day including control strategies, optimization, process safety and batch automation.

**ENLIGHTENED** technical sessions and hands-on labs deliver timely information on the latest modern process automation technologies and techniques

**INSPIRED** customer-delivered best practices highlight innovative approaches, outstanding ROI and important successes achieved through Rockwell Automation solutions

**UNSURPASSED** peer-to-peer networking activities provide an opportunity to learn from other process professionals from a broad spectrum of industries

*PSUG registration fee (\$499 through September 30; \$649 after September 30) covers all sessions, labs, food and refreshments during the event.*

**JOIN US** on Monday night from 7-10 PM for food, drink and an evening of networking at the Reading Terminal Market, one of America's largest and oldest public markets.

Rockwell Automation  
**Automation Fair®**

**NOV 14<sup>TH</sup>-15<sup>TH</sup>**

The Automation Fair® event is focused on improving business profitability. Attend industry forums, hands-on labs, technical sessions, workshops, and demonstrations. Speak with product and system specialists from Rockwell Automation and its partners.

Visit The Connected Enterprise Industries Pavilion and explore demonstrations of highly connected, knowledge-enabled, industrial enterprises where devices and processes are connected, monitored and optimized to enhance productivity, safety, security, sustainability and economic performance.

*No charge for this event.*
